## Plate Volcano 15,2 cm

Crafted from high-quality melamine, this plate provides a lightweight alternative to porcelain without compromising on aesthetic appeal or durability. The aesthetic gray design adds a refreshing and stylish touch to any table setting, making it a versatile choice for serving appetizers, salads, main courses, or desserts with elegance and charm. This plate withstands a wide range of temperatures from -20°C to 70°C (-4°F to 158°F), making it suitable for serving both hot and cold dishes with ease. Its durable construction and attractive design make it a reliable addition to any dining occasion, from casual meals to formal gatherings.

### Features & Benefits
