Straining, draining, sifting and more are smooth and seamless with the half-sphere strainer by Pujadas. The stainless steel and strong 0.7-millimeter mesh provide exceptional durability and longevity, and the sleek design is easy to clean. The angled rim acts as a small funnel, keeping everything inside the strainer, while the wire handle offers a comfortable grip for impressive maneuverability. The hook at the end of the handle is perfect for space-saving hanging storage, and the loop on the bowl allows this strainer to rest on a bowl, pot or stand for the ultimate convenience.
