Product Family: **Bench**

## Storage bench anodized aluminum frame with polypropylene shelf 1045 x 385 mm

Create extra storage space and keep items off the floor with the versatile storage bench by Pujadas. Designed with stability and reliability in mind, this sturdy bench boasts a 175 kg (385 lb) weight capacity. The 1045 x 385 mm surface is compatible with 2/3-size gastronorm pans, so your food containers are sure to fit perfectly. The anodized aluminum frame resists corrosion and offers incredible strength, while the polypropylene shelf is dishwasher-safe for the ultimate convenience. The sleek design is easy to assemble and doesn't require tools, and the feet are adjustable to ensure a level surface. With a temperature range from -30°C to 75°C (-22°F to 167°F), this versatile shelving kit can go wherever you need it most, including walk-in coolers, storage rooms, warehouses and more.
